October 11, 2021

Dear Parents and Students,

Franklin Elementary School has been notified of a positive test result for COVID-19. Due to privacy laws, we cannot disclose further information about the student or staff member.

We are notifying you of this case as your student may attend classes, lunch, ride the bus, or play sports with the individual who tested positive. Please follow the advice of your physician and continue to monitor your student for Covid-19 symptoms. Should symptoms develop, then your student should be kept home.

The district is continuing to monitor this situation. Please continue to practice social distancing when possible and maintain the highest possible levels of sanitary practices. We will continue to monitor and provide additional information when permissible.

Sincerely,
Doug Westrick
Delphos City Schools
Superintendent
