

Traditional School District Tax starts with your Ohio tax base IT1040 Line 5.											
Social Security benefits that are taxable at the Federal level are not taxed by the State of Ohio and therefore are not tax by the School District.											
Business income that is deducted on Page 2, Line 11 on the Ohio return, is an add back for Traditional School District Tax. See Page 2, Ohio SD 100, School District Income Tax return.											
There is a Senior Citizen credit (65 or older) for \$50 per School District Tax return, so if you are married the credit is still \$50
