Door 1 - Front Doors under the awning near HS office.

Door 2 - Side Doors that lead to the Career Center/Mr Place's room.

Door 3 - Back Doors that leads to the Softball diamond/Band room.

Freshmen and Seniors enter and exit from any of these two doors:

Door 1 - Front Doors that lead to the cafeteria.

Door 2 - Doors that lead to the Gymnasium.

NOTE: The building will be locked until 7:40. There will be no entry prior to that time. Upon entry, students may stop at the locker and report to their homeroom. Loitering at lockers and in restrooms is prohibited as well as walking the hallways. When not otherwise available, teachers will be at their classroom doors to welcome in students and supervise.

NOTE: Students will be released on alternate times. At 2:55, Freshmen and Sophomores will be released. At 2:57, Juniors and Seniors will be released. Students are expected to exit the same doors designated for entry.

NOTE: Students riding the bus after school are expected to go directly to the locker (if needed) and to the bus. Students that do not have a bus form for that particular bus ARE NOT PERMITTED to ride.

LOCKERS

Students lockers are alternated. An empty locker separates each student's locker. Students are encouraged to limit the use of lockers and teachers are encouraged to assign paperless homework when possible. Loitering at lockers and in restrooms is prohibited as well as walking the hallways. Due to nightly sanitation of lockers, decorating lockers is prohibited.

HALLWAYS/TRAFFIC

Students are required to wear masks at all times while in the hallways. Students are expected to walk clockwise on the right side of the hallway and counterclockwise on the left side of the hallway. Students are expected to exit the previous class, stop at the locker or use the restroom if needed, and then proceed to the next class. Loitering at lockers and in restrooms is prohibited as well as walking the hallways.

CLASSROOMS

Social distancing will be practiced to the best of the teachers and students abilities. 3 feet of separation between students and students' desks as well as optimum use of classroom space is expected.

NOTE: For contact tracing purposes, Teachers and Lunch Monitors will have a seating chart that will remain in effect until further notice. Teachers and Lunch Monitors will have a seating chart ready for the first day; however, there is flexibility to change seats in the first week to accommodate any specific student or classroom management needs. There may be outdoor options for teachers to conduct classes.
