"Shut Down" Homework Bags

September 1, 2020

Dear Parents and Guardians of Franklin Elementary Students:

On Tuesday, September 1, 2020 every Franklin student will be bringing home a set of 5 "Shut Down" Homework Bags/Envelopes. Inside these you will find **five different days worth of work for your students**. **PLEASE** put these in a safe location, so that you can bring them out when or if they are needed. These **DO NOT NEED TO BE COMPLETED UNTIL** you are instructed to do so. These "Shut Down" Bags/Envelopes will be clearly labeled as to what is for Day 1, Day 2, etc.

The purpose of these bags is:

- If we are forced to close for a few days due to orders from the Allen County Health Department or the Ohio Governor, the students will need to complete one bag or packet each day we are closed.
- This will allow the teachers time to prepare everything to transition to on-line learning if the shutdown is scheduled to last beyond 5 days.
- We need time to pass out chromebooks to those in need, allow people time to get their family situations in order, etc. before we can just flip the switch to online learning at the Elementary Level.

Important reminders:

- YES, this work will need to be completed and turned in when the students return to the classroom or when directed by the district.
- These DO NOT need to be completed now! Franklin Elementary will send out an alert, place it on the Delphos City School Webpage, and post it to the Delphos City Schools FaceBook page if a situation comes up where we need to begin using these 5 days worth of assignments.
- It is VERY IMPORTANT that you put these in a safe place, so you can find them if or when your child(ren) is/are asked to complete them.

Thank you for your continued support,

Robert J. Hohlbein
Franklin Elementary Principal
