Hello Wildcats,

This July, Governor Dewine provided us with guidelines for the reopening of school for the 2020-2021 school year. The schools in Allen County have worked closely with the Allen County Department of Health to determine what is in the best interest of our staff, students and families.

The Delphos City Schools has put together our plan for the opening of school on August 19th. Please keep in mind that ***this plan could change at any time based on current conditions of the pandemic.***

- School will start on August 19, 2020, with in person instruction five days a week.
- There will be an online option for parents who are not comfortable sending their student(s) to school. Please contact Miss Wilhelm at kwilhelm@delphoscitieschools.org for more information.

District updates

- **All Open House activities have been cancelled.**
- We will continue to promote handwashing, the appropriate use of hand sanitizer, good hygiene practices, and social distancing when practical.
- Staff and students will complete a daily health check, which will include temperature taking **prior to coming to school**. Anyone experiencing COVID like symptoms should stay home.
- All staff will be required to wear a facial covering. Students in **grades 3-12** will be required to wear a facial covering.
- **All students (K - 12)** will be required to wear a facial covering when riding on the school bus.
- Students are encouraged to carry a water bottle.
- Visitors to our buildings will be very limited, must wear a mask and complete a symptom assessment before entering the buildings.
- ***Delphos City Schools will be transparent with all stakeholders that some level of risk will always be present when children and school district employees occupy school district facilities and transportation services.***
